A medically sound treatment for most painful hemorrhoids

First, stop the pain. And the itching. Nupercainal® is a unique combination of lubricants plus the most effective topical pain reliever available without a prescription. It relieves pain and itching fast. Provides much longer lasting relief. Nupercainal also soothes inflamed tissue—in turn helps the natural healing process. Moreover Nupercainal facilitates natural movements.

Next, doctors recommend, use common sense. Stay off spicy, highly seasoned foods. Avoid constipation and what causes it. Such as lack of rest and bad eating habits. Stay regular. Sitz baths aid comfort and natural healing.

Above all, use caution. Nupercainal brings relief in most cases and for most types of hemorrhoids. But if symptoms are severe, persistent, frequently recurrent...if there is rectal bleeding...do see your doctor.
